Dear Ma'am/Sir

Greetings from Hoping Minds!!

Hoping Minds is a holistic sdevelopment program to help programming job aspirants get their dream careers at zero financial risks. We have set out to create an interactive, gamified, and rewarding program of development that is personalized to individuals and structured as per corporate requirements. We have been active in the Counselling, Training & Placement ecosystem since 2013 and have helped 10,000+ students realize their dream careers. Our goal is to bridge the gap between corporate requirements and student skillsets to build a World of possibilities for students, expedite the growth of corporates and bring about a revolution in the existing educational system.

We are glad to confirm that your student **Rishikesh Kumar S/O Mr.Brajesh awasthi** has joined us for a 6-month internship starting in **fabruary 2025** in **Block Chain**. This internship is mandatory for all students as per university norms, and from December onwards, internship will be conducted in offline mode.

We are enough confident and assure you that your student will nurture good job skills and develop better understanding of the corporate environment under the kind guidance of our well-versed professionals in their respective fields. We shall put our best efforts to make your student good professional so that he/she may be able to win over the cut throat competition in today's IT industry.

Thanking you and assuring you of our best services.
